KWPS ~ YELLOW PAGES
22nd September 2017

Congratulations to our new Reception Class

Our new Reception children have enjoyed meeting up with all their classmates this week and have settled in beautifully during their first week together as a full class. They already feel like an established part of our school family and I was impressed with how well they all joined in during assembly. They should be very proud of themselves. We look forward to see them flourish over their next seven years with us.

Permission Forms - Years 1 to 6

Thank you to everyone who has returned the permission forms sent home last Friday. If you haven't yet had chance to complete it we would be grateful if you could send it in on Monday. There are spare copies available from the office.

I am aware that there were a lot of Yes/No options to circle as well as space for signatures and on a few returned forms there are some missed out. We have sent these home tonight with your child if this is the case. Please could these be added and returned. Thank you

Secondary School Admissions

If your child is in our current Year 6, you need to apply online for their secondary school by 31st October. Please note that this is a strict deadline and applications sent after this time will not be considered until all the 'on time' pupils have been allocated a place. This could result in your child not getting the school they want.

To apply please go to www.lancashire.gov.uk/schools and click on 'apply for a school place'.

Carr Hill's open evening is next Thursday 28th from 5.00pm. Our Year 5 pupils may be interested in going to this too.

Book Fair

A huge thank you to everybody who supported our Book Fair last week and this. We have sold a record £1,000 worth of books which entitles us to £500 worth of books free of charge which we will be adding to the library and home readers..

Extra-Curricular Clubs

Our final extra-curricular club Football for Year 5/6 starts on Monday ~ please assume your child has a place unless you hear otherwise. There are a few places left for Netball on Thursday after – school. This is open to both boys and girls in Y5 and 6 with the possibility of taking part in league games.

School Value ~ Respect

Over the course of the year we will be focusing on one school value each term. These values were chosen by the previous School Council after discussion with their peers, and Governors and staff. This half-term's value is '**respect**' which we have talking about in assembly and will also be the focus of our Child of the Week assembly next Friday.

We will share a quote or saying in relation to '**respect**' in the Yellow Pages each week this half-term and would be grateful if you could chat about it with your child at home to support our conversations in school. We are also talking about different circumstance's when they should show respect including at home. This week's quote:

'Treat others the way you would like to be treated.'
