**A Hard Working First Week Back**

It was lovely to see all the children looking so smart after the Easter break with many in summer dresses. Thank you

There has also been a lovely hard working atmosphere in school throughout the week with children really focused on their learning.

We do still have a lot of children without PE kits though — please could these be sent in on Monday as we are struggling to find enough kits to lend out.

Please could you also ensure that your child has a water bottle in school every day. Their bottle can be refilled at the water machines available in both the Infants and the Juniors.

**Hothersall Lodge**

Year 5 set off for Hothersall Lodge on Wednesday morning. I have been in regular contact with Ms Norris and I know that they have had a super time over the last 3 days. The fresh air and adventurous activities will, I am certain, ensure that all the children and indeed staff sleep well this weekend.

**Reception Maths Training Session**

We had a super turn out for our Maths parent training session this morning, thank you to everybody who came along. The weekly Reception drop in sessions will continue from 8.45am next Friday and this term the focus is on Maths.

**Friday 28th am ~ Y2 ~ Maths SATs for Year 2**

The dates for these training sessions were included in last term's YP, however fliers giving more details have been sent home with the relevant children this week. It is not too late to book a place please just return the slip at the bottom of the fliers or let the office know.

Please note that we need to have a minimum of 7 parents for the course to run.

**Y4 River Visit**

Fingers crossed that the rain stays away for Year 4's river visit this coming Thursday 27th. Just a reminder that the children will need to wear their usual uniform on the top half together with a pair of old trousers eg tracksuit bottoms/leggings and wellies or sturdy boots. Please can the wellies/boots be brought in a named carrier bag. They will also need a warm, waterproof jacket and packed lunch. Thank you

**PTFA Questionnaire**

Enclosed with this week's YP is a questionnaire form the PTFA. I know that they would be grateful if you could take the time to fill it in and return it to school by next Friday,

**Reminder KS2 SATs week for Y6 begins Monday 8th May - No 'Little Reds' that morning.**
