

# KWPS ~ YELLOW PAGES

## 16TH JUNE 2017

### Another Busy Week.....

**Kirkham Club Day** ~ A huge thank you to all the children, parents and staff who took part in the Club Day procession last Saturday. I was so proud of the commitment of the children (and indeed staff and parents) to walk despite the rain! Not one child complained during the walk and they really were a credit to their families and our school.

**Maths Fun at Pear Tree** ~ I know that the children who took part in this maths session thoroughly enjoyed it and we are grateful to Pear Tree for organising it!

**Performance of Treasure Island by M&M Productions** ~ The children thoroughly enjoyed watching this on Tuesday afternoon. Treasure Island is a classic book and on the list of the 100 books that children should read before they leave primary school. These productions normally cost at least £700 so when they rang on Tuesday morning to offer us a cancellation slot free of charge for that afternoon it was too good an opportunity to turn down.

**Phonics Tests** ~ Year 1 have completed their phonics tests this week and results of these will be included in their end of term reports. They should be proud of how hard they have all tried. Well done!

**Photographs** ~ Photographs of the Reception and Y6 class, together with the orchestra and cheerleading squad were taken today. When the photographs are sent to school ~ we will put them on display for you to see prior to ordering and send a sample copy home.

### A Request From Our Reception Class

I am sure that our Infant parents are noticing the gradual changes to our outdoor Reception area. One of the features that the children enjoy using is the mud kitchen. However they do need some more pots etc to use in their play. They need to be made of metal and the Reception staff wondered whether anybody had any spare metal bun tins, plates, mugs, bowls, teapots and utensils which they were happy to donate. I know that they will be gratefully received and put to good use!

### Infant Sports Day ~ Thursday 22nd June ~ 2pm (Fri 23rd if wet)

As mentioned previously in our Yellow Pages, Infant Sports Day takes place next Thursday. Please could you ensure that your child has a full PE kit and water bottle in school each day from Monday. On sunny days could you also provide sun lotion and a sun hat for your child?

Following the success of the format of the Junior Sports day and to give the children more opportunity to take part in activities rather than just watching, we have revamped the format of the Infants too this year.

Spectators are more than welcome but please could you give consideration to our neighbours when parking, avoiding Woodlands Avenue if possible. If for any reason we do have to postpone, we will endeavour to contact as many parents as possible through our texting system.

### Library Books

As we need to return all library books which have been borrowed from the Lancashire County Library service, please could you check your child's library book. If it has a red rose sticker on the spine, please could you send it to school on Monday.

**Please turn over for more information from the PTFA about our Summer BBQ.**
