

KWPS ~ YELLOW PAGES 17TH MARCH 2017

York

Good luck to our Year 6 class who are going on their residential visit to York next Tuesday. Please can they remember to bring their packed lunch and day bag together with a warm, waterproof coat. If it is a fine day, suitcases can be left under the office window. Any prescribed medicine specific to your child should be handed by parents directly to Mrs Hartley at the office.

Year 1 Visit to Harris Museum ~ Congratulations!

I know that Year 1 thoroughly enjoyed their visit to the Harris Museum and I was delighted to hear that the lady at the museum said they were a wonderful class who asked lots of excellent questions....
... one of the best classes ever to visit the museum!

Year 5 visit to Carr Hill! ~ Congratulations!

A belated well done to Year 5! They had received super feedback for their visit to Carr Hill but I had forgotten to include it in last week's Yellow Pages. I know that they had really impressed the Carr Hill teacher in their music lesson, he was blown away by the super singing and how many different songs they already knew. Even better he described their behaviour as impeccable—which the children know is one of my favourite words!!

Comic Relief ~ Friday 24 March

Unfortunately all our fundraising activities seem to have come in the same few months and I am conscious that we have been asking for a lot of charity contributions recently. However, I know our pupils are always very keen to support Comic Relief. Therefore we have ordered red noses which are available to buy from Monday for £1. These will be on sale first thing (correct change please) and will be named and sent home unopened. The children can wear these to school next Friday with their full school uniform.

Staffing Updates

Unfortunately as some of the Year 3 parents are aware, Mrs Keating isn't well at the moment. She was determined to keep going but she really is not well enough and therefore will not be back before Easter. Year 3 will continue to be taught by Mrs Eccles for the first part of the week and by Mrs Davies (who taught them last year) and myself for the second half. They are certainly working very hard at the moment which Mrs Keating was very pleased to hear.

Children's Behaviour Leaflets

As you may remember, at the beginning of this academic year, we reviewed our behaviour policy in consultation with yourselves and the Governors. The final version is included in the policy section of our website. However, we also felt it would be beneficial to include the key points in child friendly leaflets for the Infants and Juniors. We have discussed them in assembly this week and the children are bringing them home tonight. The school values included are the ones suggested by the school council in conjunction with the Governing Body.

Thank you for your continued support in ensuring that your child meets the high expectations we have for behaviour. External advisers, who recently spent a morning at our school on a monitoring visit and who visit many schools, described our children's behaviour as excellent. I am sure that you are proud of them and I did feed this back to the children.

Please turn over for information from Pear Tree Children's Centre.
