

KWPS ~ YELLOW PAGES

3RD MARCH 2017

Another Busy, Busy Week.....

Dance and Gym Show at Carr Hill

Last Friday evening 14 of our Y6 children took part in the dance show at Carr Hill and I know they all thoroughly enjoyed the chance to take part and watch the talented dance groups from Carr Hill. They all looked fabulous, performed their section well and behaved superbly throughout. They should be so, so proud of themselves.

National League Football Tournament

Congratulations to 7 of our Y5/6 pupils who represented school in the inaugural Fylde Schools National League Football Tournament. They played really well, winning two of their matches by over 6 goals to reach the quarter finals. Very well done!

World Book Day ~ Character Day

Wow — what creative parents we have ~ there were some fabulous ideas with some children almost unrecognisable! The children thoroughly enjoyed spotting the different characters of both children and staff. A huge thank you to all the mums, dads and grandparents who helped to create the wonderful costumes.

During the morning the children took part in a carousel of book related activities in mixed year groups! It was lovely to see Y1/Y2 helping Reception beautifully with their Gruffalo themed work. In the Juniors the children moved round in their houses and worked well as a team during the `Bumper Book Quiz`. Some super knowledge of books really shone through, with many children able to answer questions about books that the staff didn't even know!!

We are continuing to promote reading throughout school. It is fabulous that so many children are making use of Bug Club ~ a link to this can be found on the parents' section of our website and their user name and password is in the front of your child's home reader.

We have also given some of our older children the list of `100 fiction books all children should read before leaving primary school' and many have already ticked a number of books off this list!

Staffing Update

The children were very excited to see Mrs Meaney in school on Wednesday morning. Although not 100% yet, she is feeling a lot better and will be continuing to pop into school to work with the children over the coming weeks.
