

KWPS ~ YELLOW PAGES 26 MAY 2017

A Busy Last Week

Well what a busy final week we have had this half-term ~ we seem to have fitted in so much.

Y6 Cake Sale ~ Thank you to everyone who supported our cake sale by either baking cakes or buying them. Altogether Y6 raised £195.62. This will be used towards costumes for our forthcoming production Alice in Wonderland.

PTFA meeting ~ We held a very productive planning meeting for the PTFA Summer BBQ on Monday evening. It was lovely to see a few new faces too! Look out for more details of the event after half-term, I know the PTFA will be looking for volunteers to help out on the night too.

We also discussed feedback from the PTFA questionnaire which was sent home a couple of weeks ago but it appears some didn't find their way home. If you didn't complete a questionnaire but still wish to do so—please ask at the office or it can be found under the PTFA section of the website.

Y5 Coffee Afternoon ~ Congratulations to Y5 for a super Wider Opps concert on Tuesday afternoon. They clearly are a very musical class and it was lovely to see a snapshot of what they have been learning in music this year. I know the parents also enjoyed the opportunity to look at the Hothershall Lodge photographs with their children.

Y2 Brockholes's Visit ~ Year 2 had perfect weather for their trip to Brockholes on Wednesday and I know that they had a fabulous time. I was also delighted to hear how well they had behaved throughout the visit. Well done!

PTFA Film Night ~ Over 110 children joined us for Wednesday evening's film night and there was a lovely atmosphere in the hall. We are reviewing the entry system for next time to speed up entry.

Junior Sports Day ~ Thank you to all the parents/grandparents who joined us for Junior Sports Day yesterday. We had a lovely afternoon, although we did make a few alterations to the events planned to minimise the amount of time the children were out in the hot weather. We were fortunate that we did have a little bit of cloud cover at times which enabled us to go ahead with the final running races. Sorry to any disappointed parents who were looking forward to the parents races!

I was, once again, so proud of all the children who took part with such enthusiasm and great sportsmanship. It was lovely to see how encouraging the children were of each other during the afternoon. Their behaviour was excellent throughout too. Congratulations to our winning house Chestnut. They beat Beech, who had won for the last 3 years, into 2nd place.

Hot Weather

Summer has well and truly arrived this week!!! Whilst the sun continues to shine please could we ask parents to ensure that their child has a sun hat, sun cream and water bottle in school ~ all named! Please could you also make sure that sun cream has been applied prior to your child coming to school as sometimes your child will be outside for PE at 9.00am. **We would be grateful if parents of younger children could encourage them to practise putting their suntan lotion on, as with 30 children in a class it is clearly not feasible for the classteacher to apply lotion to every child!**

Club Day

Thank you to everybody who has returned a slip for club day. Our theme this year is Joseph and his Technicolour Dreamcoat. We will be providing a coloured polo shirt/ t-shirt for every child. Please can we ask that your child has either jeans or plain dark leggings and trainers to wear. Final details, eg timings, will be sent home after half-term - we just wanted to give you notice about clothes required.

**We wish you all a lovely half-term and look forward to seeing the
children back in school on Monday 5th June.**

Books have been added to Bug Club so that there is plenty available to read over the holidays.
