

KWPS ~ YELLOW PAGES 10TH MARCH 2017

Fairtrade

Thank you to all the Junior parents who joined us for our Fairtrade coffee afternoon on Tuesday. Photographs and more details about the event (including one of the recipes that the Fairtrade committee used) can be found on the 'news' section of our website.

We have now sold out of the Fairtrade Chocolate bars ~ thank you for enabling your child to support this. The Fairtrade Committee hope that the children will remember to look out for the Fairtrade symbol when buying chocolate bars in the local shops. They will then know that the farmers have received a fair price for their cocoa beans and no child labour has been used.

School Website/App ~ Schudio

Just a reminder that our school website has an app which enables quick access to key sections of the website including holiday dates, latest news and contacts. There is also a messages section too where we can send out information. To access the app, type 'schudio' into the search section of the app store and download 'schudio school app'. Once this app is downloaded you will be able to select our school. If you click **allow notifications** your device will then alert you when a new message has been added.

We are hoping that we will be able to use this app to roll out Yellow Pages etc to try and make our communications more accessible.

Library Visit

Unfortunately, as many of you will be aware, the library which is currently just at the end of our street is moving venues shortly. To keep its profile raised with our children before it moves, we will be visiting the library in our class on the following days:

Monday 13th March ~ Reception and Year 1

Thursday 16th ~ Year 3 and Year 2

Thursday 23rd ~ Year 4 and Year 5

Reception Visit

Our Reception class had a wonderful visit to Park View in Lytham yesterday as part of their 'Minibeast' topic and were definitely lucky to have such gorgeous weather. They talked very enthusiastically about all the creepy-crawlies they had found and touched. Well done!

I know that Year 1 are looking forward to their visit to the Harris Museum next Tuesday.

New Parent Governor

Congratulations to Colin Smy who has been voted onto the Governing Body as our new Parent Governor. Thank you to everybody who took the trouble to cast their votes.

Online Safety

How to keep ourselves safe online continues to be discussed on a regular basis in school and I am sure that you are also promoting this at home with your child. To support you with this we have ordered copies of Vodafone's Digital Parenting Magazine which we have sent out with the eldest children today.
