

KWPS ~ YELLOW PAGES

31ST MARCH 2017

Congratulations Y6 ~ York

We welcomed Year 6 back from York after school last Friday. It has been lovely to chat to both children and staff this week and hear how much they enjoyed their visit and what a delight they were to take away. They were a real credit to their families. Mrs Lewthwaite had many comments from the different venues visited about how polite, enthusiastic and knowledgeable the children were. Very well done!

Congratulations Y5 ~ Raising Aspirations Day

On Wednesday Y5 travelled by train to Blackpool to take part in a 'raising aspirations day' at the Winter Gardens, they joined children from lots of other schools both secondary and primary and took part in a wide range of workshops. I am delighted to say that Ms Norris too received lovely feedback from the presenters who described them as the best group she had worked with all day. Apparently they were the most knowledgeable and asked the best questions—a real compliment when there were children up to the ages of 15 taking part!

Congratulations to the Eco Committee ~ Bags2School Friday 21st April

The eco-committee have had a busy week promoting Bags2School with the children. I have been really impressed with their teamwork across the year groups and included on the reverse of the YP is a letter from them about the Bags2School collection.

Parent Training Sessions

We come back after Easter to a few very busy weeks for the children and staff and hopefully many parents!

In response to feedback from yourselves and as part of our School Improvement Plan, we have organised a number of parent training sessions over the coming term. These are aimed at different year groups and cover varying areas of the curriculum. Flyers will be sent home with more details about each course nearer the time but I have detailed them below to give you advanced warning of the date.

Friday 21st April ~ Reception ~ supporting your child with maths ~ all day

Wednesday 26th April ~ Y2/3 ~ Developing your child's skills in reading for understanding ~ am

Friday 28th April ~ Y2 ~ Maths for Y2 SATs ~ am

Tuesday 6th, 13th and 20th June ~ Maths for KS2 parents ~ am

There are more planned for later this term and in September so please don't feel left out if there isn't one suited to your child's year group yet. We are hoping to organise an online safety course

Y5 ~ Hothersall Lodge

Year 5 leave for Hothersall Lodge on the first Wednesday back. They should come to school in their own clothes and bring a packed lunch and their water bottle with them.

They are due to arrive back at 2.30pm on the Friday and can be collected at this time as I am sure they will be shattered.

Due to staff training there will be no clubs (including orchestra) the first week back. However Ju Jitsu which is run by Nippon UK will take place on Tuesday 18th as will Y4 swimming.

On behalf of all the staff and Governors may I wish you
very Happy Easter and a Wonderful Holiday.

School re-opens on Tuesday 18th April
